Dear Jessica and Gaston,

On behalf of PADF we send best wishes and a special note of gratitude for your efforts to deliver a successful Business Continuity Planning seminal in San Salvador, El Salvador, April 17, 2007. Once again, we congratulate you and your team on high quality and pertinent interventions for the corporate and institutional representatives. We are very much obliged for your continued generous collaboration with the OFDA/USAID-sponsored Disaster Management Alliance Project activities throughout Latin America and the Caribbean. Thank you, once again.
